January

class newsletter

We have had a great week back at school. The children settled back into the routine seamlessly! This week we will be reviewing all of the letters we have learned so far and introduce the letter "Jj". Our numbers will be 1-7/ We will continue to learn the safety of using scissors. Our shape is a star and our colors will be black and white.

Our religion lesson this week will be "God Gives Us Families". This lesson helps the children realize that their families are a gift from God.

Please continue to work on putting coats on and zipping them up! Also please check folders daily for important info.

Dates to Remember
Important :

January 21st – No School

January 24th- Registration packets due
